

Certificate of Completion

KETAMINE-ASSISTED COUPLE THERAPY THERAPIST TRAINING

PRESENTED TO

SKYLER WHITE

This certifies that Skyler White has successfully completed the Enamory Couples' Ketamine-Assisted Psychotherapy (KAP) Training, a 2-day, 16-hour professional training for clinicians. This comprehensive program provided instruction across five core modules: Background, Assessment, Feedback & Preparation, Dosing, and Integration. By completing this training, participants are prepared with a complete framework for delivering Ketamine-Assisted Couple Therapy.
